

DAIMLER

Daimler Insurance Services

We're recruiting: Interns/Professionals

Daimler Insurance Services, a wholly owned subsidiary of Daimler Financial Services, is responsible for the global insurance management within the Daimler Group, focusing its activities on the worldwide expansion and development of Automotive insurance products. Daimler Insurance Services is also responsible for the insurance of all Daimler production sites and for company and private retirement provisions for the Group employees in Germany.

The internship/job will provide you with the opportunity to be exposed to an international and multicultural environment whilst gaining deep insights into the Daimler Group and Automotive Industry and getting acquainted with insurance business both on a strategic and operational level. Additionally, it will enable you to gain experience in project management and many other topics.
