Projects**

Tasks

Daimler Insurance Services, as part of the Daimler Financial Services, provides its customers with a reliable protection: with partners from the insurance industry, we develop customized automotive insurance solutions that also guarantee that repairs to damaged vehicles meet Daimler quality standards. Our Corporate Insurance business area consolidates insurances for Daimlers manufacturing sites, transports, and product liability risk. Employee Lines segment takes care of insurance coverage for Daimler AG employees.

Your tasks in detail:

- Support for conception and organization of the Global Insurance Conference
- Support committee management activities
- Prepare presentation slides and other documentation for meetings
- Provide support to the Insurance Management office with diverse activities, in particular tasks related to the strategic project
- Support in executive and administrative working area
- Contribution with innovative ideas for different conference- and business-related topics

Qualifications

Education:

- You are currently studying business, economics, insurance, banking or a similar course of study
- You ideally already had a first experience working in a big international company
- You have a very good knowledge of MS Office (in particular PowerPoint, Excel, Word), further software skills are of advantage

Language skills:

- Your German is very good and your English language speaking and writing skills are excellent, further languages are of advantage

Soft skills:

- You possess a structural and conceptional way of thinking
- You have good planning and organizational skills
- You enjoy working in a diverse international team, showing initiative and introducing new ideas
- You are also able to work autonomously on particular topics
- You are highly motivated and open to new topic and can generate ideas
